

Double Notice Protection Request

I request that any notice of disconnection of my Citizens' Electric Company electric service for nonpayment of bills will also be mailed to the person or agency named below. Receipt of a copy of a disconnect notice by a third party does not place any obligation on that party to pay utility bills for the customer, nor will it defer or prevent a disconnection if payment is not made. Citizens' Electric will make every effort to provide third party notices, however, the person making this request agrees that the company incurs no liability for failure to do so for any reason.
