

CITIZENS' ELECTRIC COMPANY OF LEWISBURG, PA
NOTICE OF RATE CHANGE

The Pennsylvania Public Utility Commission (PUC) has approved an adjustment in the TCJA Surcharge, which will increase customers' bills. Effective on October 1, 2020, the TCJA Surcharge of 1.8% will be applied to the distribution costs on your bill. It does not apply to your charges for generation supply.

On July 1, 2018, Citizens' implemented a distribution rate decrease at the PUC's request to reflect the estimated impact on the Company's federal tax payments under the Tax Cuts and Jobs Act of 2017 (TCJA). Under the PUC's requirements, Citizens' must compare the estimated impact that was used to calculate the rate decrease to the actual change in federal taxes that the Company experienced. The TCJA Surcharge is implemented to reconcile the PUC's estimated tax impact with the Company's actual federal tax change under the TCJA for the period from January 1, 2018 through April 30, 2020.

For more information, contact Citizens' at 570-524-2231, or call the PUC at 1-800-692-7380.
