Fee schedules and draft agreements for commercial attachers are not posted publicly. Upon receipt of this form, Citizen's will provide copies of both to applicants.

[Email Completed Form to Citizens' Electric](#)

(1) 'Complex' make ready work should be understood as work required at any given location that cannot be completed by attachers individually and wholly within the communications space of pole. Pole replacements, power system transfers, work requiring multiple crews on site, etc are examples of complex make ready work.
