## Forklift for Sale

Citizens' Electric Company is offering for sale a used forklift. The lift is a 1967 Hyster H-50F pneumatic tire forklift with 4,000lb capacity, side shift and hydraulic clutch. Meter shows approximately 3,500 hours. The lift is in working condition with normal wear and tear. It has been used regularly, but lightly (*approx. 4hr/mo*). It has been serviced regularly and garage kept, records are available for inspection. The unit drips a small amount of hydraulic fluid.

Additional features of the unit include: Gasoline engine, adjustable forks, 130" max lift, hi-lo speeds, front & rear lights and electric block heater.

Interested parties may view the lift during normal business hours (M-F 7:00a-4:00p) at the Citizens' Electric Headquarters. Office hours may change without notice due to COVID-19, please call ahead at 570-524-2231. High resolution images can be found under the news items at [www.citizenselectric.com](http://www.citizenselectric.com). Offers may be submitted to the attention of Nate Johnson at the address below, or via email to [johnsonn@citizenselectric.com](mailto:johnsonn@citizenselectric.com).

The asking price is **\$1,750**. Unit is sold 'AS-IS' and all sales are final.
